Friday, December 2, 2016

Mr. OLSON. Mr. Speaker, I rise today to congratulate Janiece Longoria of Houston, TX, for being named the 2017 Maritime Person of the Year by the Greater Houston Port Bureau.

HON. ERIK PAULSEN

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Friday, December 2, 2016

Mr. PAULSEN. Mr. Speaker, I rise today to congratulate the Wayzata Boys Cross Country team for winning the Minnesota High School State Championship.

The Trojans capped off their championship season with a strong team finish. Wayzata, led by junior Khalid Hussein, had five runners placing among the top 22 finishers in the state championship race. The diligence of each individual runner as well as the dedication of their coach, Mark Popp, is responsible for this team-wide success.

Everyone knows that cross country requires countless hours of practice and preparation. It's a sport that requires both mental and physical endurance and these outstanding student-athletes should be commended for their excellence.

Balancing school and athletics is not an easy task. It takes focus. It takes dedication. And, it takes hard work both in and out of the classroom as they continually make strides to improve their craft. The families, teachers, friends, and the entire community are very proud of the Wayzata Boys' Cross Country team. Congratulations on being state champs.
